

## Zu den Wurzeln der Krainer Wurst

Bei der Krainer Wurst gehen die Slowenen keine Kompromisse ein. Seit Jahrhunderten verwenden die Fleischereien alte Rezepte und ließen die „Kranjska klobasa“ sogar als immaterielles Kulturerbe schu?tzen.

2012 wurde die sogenannte „Kranjska klobasa“ als geografisch geschu?tzte Marke und immaterielles Kulturerbe eingetragen. © Anita Arneitz
